State Aid Street Committee
P. O. Box 38
North Little Rock, AR 72115-0038

Dear Committee:

The City of North Little Rock is requesting assistance from the State Aid Street Committee to improve the following city street in North Little Rock:

	Priority Street Name	Length	Type of Improvement
1a.	Lynch Dr.	1.21 mile	Overlay
1b.	Faulkner Lake Rd.	1.32 mile	Overlay

Economic Development, Public Access, or other purpose: Lynch Drive/Faulkner Lake Road is a collector connecting Interstate 440 to US Highway 70 (East Broadway St.). This corridor is a functional asset to the connectivity of our city center and the eastern portions of North Little Rock and Pulaski County in addition to being a heavily utilized road by the residents of the Rose City community. The City of North Little Rock believes that it is in poor condition, and improving these streets would allow for easier access to and from the interstate.

Improvements to these streets are a high priority for the City. Any assistance will be greatly appreciated.

If you have any questions, you may contact David Cook in our Engineering Department at (501) 371-8339.

Sincerely,

Joe A. Smith
Mayor
