Honorable Members of the North Little Rock City Council  
City Hall  
300 Main Street  
North Little Rock, AR 72114

Dear Council Members:

This communication is to inform you that the job responsibilities of Kenny Stephens have been expanded to include Director of Traffic Services effective February 1, 2020. He will retain his current duties as Safety Director. His new title will be Director of Traffic Services and Safety.

This change comes about due to changing workloads. For the past several years, Traffic Services has been under Chris Wilbourn, Chief City Engineer. Chris has done a great job but the demands on the City Engineer's office have increased dramatically due to the construction projects going on in the City.

Thanks to Kenny for accepting this additional responsibility.

Sincerely,

Joe A. Smith  
Mayor
