ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE AMENDING ORDINANCE NO. 8957 TO  
CORRECT THE SERVICE FEE RATES FOR MUNICIPAL  
STREET LIGHTING  
(L-1)**

WHEREAS, the North Little Rock City Council, by and through the North Little Rock Electric Department (“NLRED”), is an Arkansas municipal electric authority providing retail electric service; and

WHEREAS, Ordinance No. 8957 was adopted on November 13, 2017, to update rates for the new Light-emitting diode (LED) lights which are replacing the less efficient and higher lumen depreciation (HID) lights for NLRED customers; and

WHEREAS, information contained on the service schedule rates for the Municipal Street Lighting was inaccurate and needs to be corrected.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF NORTH LITTLE ROCK, ARKANSAS:

SECTION 1: That the amended service schedule rates for Municipal Street Lighting are hereby amended pursuant to Exhibit A attached hereto.

SECTION 2: That all ordinances or parts of ordinances in conflict herewith are hereby repealed to the extent of the conflict.

SECTION 3: That the provisions of this Ordinance are hereby declared to be severable, and if any section, phrase or provision shall be declared or held invalid, such invalidity shall not affect the remainder of the sections, phrases of provisions.

SECTION 4: It is hereby found and determined that upon discovery of errors in published service schedule rates for municipal street lighting for NLRED customers, corrections should be corrected as soon as possible for information and benefit to customers; thus the immediate passage of this Ordinance is necessary in order to insure the proper and orderly supply of outdoor lighting services in the City of North Little Rock, Arkansas, and being necessary for the immediate preservation of the public health, safety and welfare; THEREFORE, an emergency is hereby declared to exist, and this Ordinance shall be in full force and effect from and after its passage and approval.

**NORTH LITTLE ROCK ELECTRIC DEPARTMENT  
CITY OF NORTH LITTLE ROCK  
ELECTRIC SERVICE SCHEDULE  
MUNICIPAL STREET LIGHTING SERVICE (L-1)**

**AVAILABILITY**

To lighting service required by any Municipality contracting for street lighting service for streets, alleys and other public ways. Not applicable to temporary, resale, shared, or seasonal service. For purposes of this rate schedule only the term "municipality" shall mean any incorporated city or town served by NLRE; or any unincorporated community where NLRE serves or where an incorporated property owners association or Board, as a part of its ordinary function, furnishes street lighting and other services normally provided by incorporated cities to, or for, residents of the unincorporated community.

**CHARACTER OF SERVICE**

Lighting service under this Schedule will be furnished from dusk until dawn. The service voltage and type of service, series or multiple, will be at the Department's option.

**NET MONTHLY RATE**

Department Owned Facilities

The following net monthly rate is applicable when the Department owns the entire street lighting facility, consisting of the Department's standard luminaire fixture on a wood pole, overhead circuits, controls and all other related equipment. Department will operate and maintain such facility at its expense, except that Municipality will reimburse Department for the cost of material required for replacing broken outer globes and for the total cost of replacing or repairing broken or damaged poles used primarily for street lighting.
