Dear Mayor Smith;

September 5th 2018 we received a fire report from North Little Rock Fire Department advising the structure had burned. September 6th 2018 owners of record were mailed notice of public nuisance and a request for an interior inspection.

Notice of City Council scheduled for February 25th, 2019 hearing date was mailed by certified and regular mail and posted to the premises. Notice of hearing was also ran in local newspaper

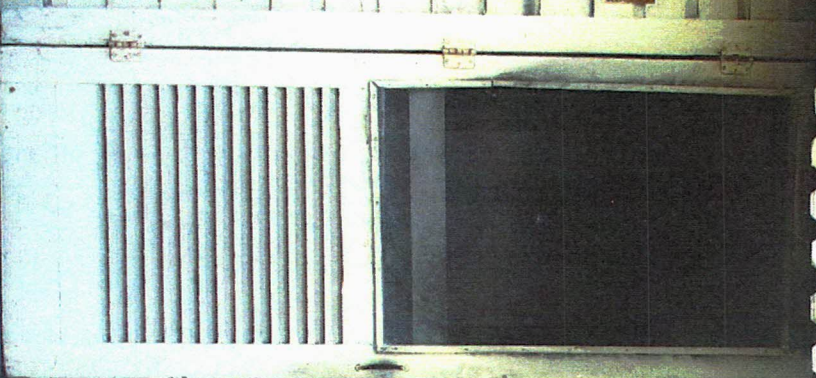

January 2019 I spoke with Ms. Georgia Thomas the daughter of Henry Thomas regarding the burned structure. Ms. Thomas advised the structure wouldn't be repaired.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
