Dear Mayor Smith;

April 24th, 2018 officer Williams noticed vacant, structurally unsound structure. Owners of record were mailed notice of public nuisance and a request for an interior inspection. This structure has been vacant since January 2013 according to North Little Rock utility department.

January 17th, 2019 an Administrative Search Warrant was obtained for an interior inspection. I inspected the property, which showed severe water damage from holes in the roof and the floors and ceilings were collapsing throughout the structure.

November 27th, 2018 Notice of City Council scheduled for February 25th, 2019 hearing date was mailed by certified and regular mail and posted to the premises. Notice of hearing was also ran in local newspaper.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
