Mayor has asked Planning to do legislation to change Fairfax Drive to East McCain Blvd. (see attached map) There is only one business that is currently using Fairfax as their address (strip mall at southwest corner of Fairfax and Hwy 161). They have been informed of the change and have not shown any opposition to the request. All the other properties are vacant or are already using East McCain as their address.

Shawn,

We do not have an issue with the proposed street name change. It logical to extend East McCain Blvd as the street name. I am copying the assessor's office and our 911 addresser with this response. Please contact all of us on this email when the change is effective.
