PETITION REQUESTING SPEED HUMP(S)

We the undersigned citizens of the City of North Little Rock, Arkansas, respectfully request that the city install the appropriate speed control device(s) on COUNTRYSIDE DRIVE to assist in controlling speeding and have indicated such request by placing a check mark under the box **For**. (Those persons opposing installation can indicate by checking under the **Against** box.)

Form amended 7-26-2002 to include a column for a speed hump and a column against a speed hump in the DATE 3/13/20
Diane Whitbey, City Clerk and Collector
North Little Rock, Arkansas
RECEIVED by [Signature]

To whom it may concern:

My neighbors and myself are submitting this form, as our street has become extremely dangerous due to cars and trucks going way to fast. This past week my 4 year old grandson was playing in my driveway as a car going over 40mph went by. If he or another child had ventured to the street there is no way the vehicle would have been able to stop in time.

Also, our street has a hill towards Kierre Dr. and people park on both sides of the street, so there are blind spots as you try to go down the street over the hill. Our fear is that there will be a head on collision, as people are using this street as a cut through from Kierre to McCain Blvd. They hit the top of hill, going too fast, which makes it difficult to drive from our homes to Kierre Drive.

It has been so bad that over the past several years, a handful of people have sped down the street, unable to stop once they get to the stop sign at Countryside Dr. and Allwood, and have plowed into the mailbox of 6190 Allwood drive. For safety reasons, a speed hump is definitely needed on Countryside Drive.

Thank you for immediate consideration.

Debbie Pepper

6208 Countryside drive.
