Dear Mayor Smith;

December 2019 I received notice from the NLR Fire Department that there was a structure fire at the property. I conducted an exterior inspection finding the structure was unsafe for human habitation. The structure is a duplex both sides were severely damaged by the fire.

Notice of City Council scheduled for March 23rd, 2020 hearing date was mailed by certified and regular mail to all interested parties and posted to the premises. Notice of hearing was also ran in local newspaper.

There has been no contact with the owner and there has been no permits to repair the property or demolish the property.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
