North Little Rock, AR

Dear Mayor Smith;

April 12, 2017 officer Williams received a complaint from a neighbor regarding the status of the above named property, a notice was mailed to Mr. Baxter. Mr. Baxter came into the office stated that he is going to pull another permit to get back started working on the house. He was informed that he needed to visit with the building inspector, because a stop work order has now been issued to him, because he pulled a permit to replace windows but started doing other things not permitted. Mr. Baxter failed to keep appointments with the Planning Department. To-date the status of the structure has remained unchanged. This structure has been vacant since November 2012.

Notice of Public Nuisance along with Notice of City Council for the March 26th, 2018 hearing date was mailed to the owner of record by certified and regular mail and posted on the premises. Notice of hearing was also ran in local newspaper.

The structure is considered to be unsafe and unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that these structure be considered for condemnation.
