Dear Mayor Smith;

September 2018 officer Williams noticed that a fire had occurred at the structure and it was unsecure. The structure was unsafe to be occupied. Owners of record were mailed notice of public nuisance and a request for an interior inspection. This structure has been vacant since August 2018 according to North Little Rock utility department.

September 28th 20018 Mr. Carter called the office and spoke to Mr. Williams and advised he was waiting on the insurance to settle.

Notice of City Council scheduled for April 22nd 2019 hearing date was mailed by certified and regular mail and posted to the premises. Notice of hearing was also ran in local newspaper.

January 22nd 2019 Mr. Carter called me after receiving notice of City Council date and requested a list of Demolition Contractors. The list was email to Mr. Carter. As of this date the structure remains. There has not been any repair made nor has there been any demolition permits pulled to demolish the structure.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
