Attn: Harold Ford

Dear Harold,

This letter is to notify you of the CPI increase for disposal as outlined in the current contract. As per Section 1.2. 'Consideration', we are authorized to adjust the billing amount by the CPI index for the "all items" category as listed for the Urban Wage Earners and Clerical Workers Index for the most recent twelve (12) month period preceding the anniversary date of the start of the contract. This year it will be an increase of 2.8%. The new disposal rate will be \$10.79 per ton (current \$10.50 X 1.028) effective April 12, 2017.

If you have any questions, please contact me at your convenience.

Sincerely,

Warren Atkins

Solid Waste Services Manager
