PUBLIC COMMENT

Ms. Whitbey read the following public comment which was submitted to her by telephone at 3:20 p.m. this date. “Since I am not allowed to speak to code and they are not allowed to speak to me, I would like to thank Larry Epperson for getting on to the people who help take care of me and making them start cleaning up the carport.” Council Member Hight asked if the April 27, 2020, council meeting would be held in the same method as this meeting. Mayor Smith advised “most likely”. Council Member Ross asked Mayor Smith for an update regarding essential city employees’ work at this time. Mayor Smith said a few people had to go home for ‘self-quarantine’, which included three fire fighters, and a crew at Parks and Recreation. Crews are working staggered shifts, meaning that some come in early and others come in later so as to not be in contact with each other. Fire fighters are taking temperatures daily. Protocol on dealing with sick patients has been revised with regard to Police, Fire and MEMS responses. City Hall and the City Clerk’s Office are doing well. Human Resources is working on essential positions such as Police, Fire and Dispatch. Mayor Smith is meeting with Department Heads via Conference Calls weekly. For now, this is the ‘new normal’. Mayor Smith reminded everyone to stay safe.

There being no further business to come before the Council, and on the motion of Council Member Ross and seconded by Council Member Baxter, and by consent of all members present, the meeting was adjourned at 6:58 p.m. (8/0), until the next regularly scheduled meeting to be held on Monday,

April 27, 2020, at six o'clock p.m. in the City Council Chambers in City Hall, located at 300 Main Street, North Little Rock, Arkansas.
