Subject: Ozark Mission Project
Attachments: OMP Community Impact NLR.pdf

I recently put this together along with several other impact statements across the state for Ozark Mission Project. The impact goes much further than just building a wheel chair ramp. Our campers have formed a lasting relationship with our neighbors in every area of our city. 2018 will be our 12th straight year in North Little Rock. Thank you for your support. You have all been instrumental in this relationship.
