Dear Mayor Smith;

January 2019 officer Williams noticed a dilapidated structure. Officer Williams conducted an exterior inspection of the structure. Owners of record were mailed notice of public nuisance and a request for an interior inspection. This structure has been vacant since 2002 according to North Little Rock utility department.

May 7th 2019 an Administrative Search Warrant was obtained for an interior inspection on both buildings. The warrant was executed May 8th 2019. I inspected both properties, which showed severe water damage from holes in the roof and walls, damaged electrical throughout.

Notice of City Council scheduled for June 24th, 2019 hearing date was mailed by certified and regular mail to all interested parties and posted to the premises. Notice of hearing was also ran in local newspaper.

The structure is considered to be unfit for human habitation and also a public nuisance, it is the recommendation of the North Little Rock Code Enforcement Department that this structure be considered for condemnation.
